Hi, this is Randy Pringle and I have been in the bass fishing industry for more then 35 years. During this time I have worn many hats. I have been a tournament angler, a guide, a guest speaker, an author, on radio, on TV and a product developer for my sponsors.

Throughout this time I have learned what the anglers like and what they dislike. I am taking all of my years of experience to put together the "Best Bass Tournaments" circuit onto the field each and every time.

Sheri and I would like you to join us in any one of our five regions. We look forward to a great year and hope to bring the fun back to the anglers with a great payback. We have a lot of people to thank for all their support in putting together the Best Bass Tournaments Trail.

Thank You,

January

RUNNING A BEST BASS TOURNAMENT

Directors need to be able to make a precise decision and to know when to say NO!

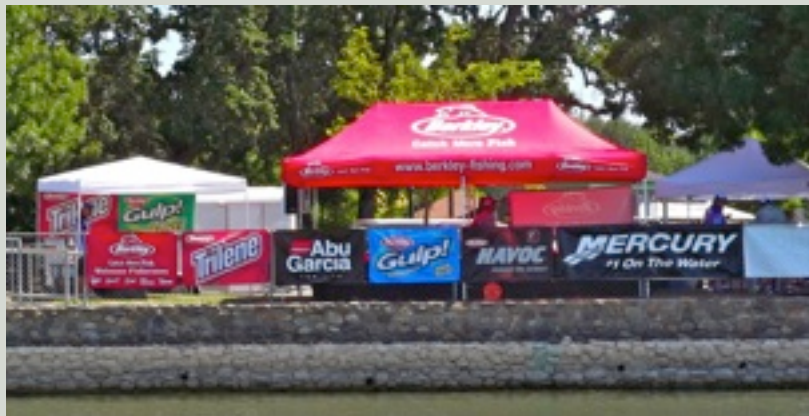

The hardest part of the job is to say “no” to an angler, that you have gotten to know over the pass few years. Fair across the board is the only way to have success as a Tournament Director.

Kevin and Terry still fish tournaments. Being on the other side of the fence, will help them make the proper decision. Both Kevin and Terry have been a part of big events and they know what it takes to do the job right.

I have worked with both Kevin and Terry over the pass few years and I know that they will make the right call for the anglers and the fish.

To make a tournament a success, it's all about Preparation and Staff

\$20.00 TACKLE STORE PROGRAM

Win A Trip for one person from Amazon Adventures to the Amazon Jungle for Peacock Bass Fishing A Trip of a Lifetime

Our tackle store receipt program helps support the local tackle stores who are supporting the BBT. Any angler fishing the BBT, who makes a purchase of \$20.00 or more from these supporting tackle stores, will keep their receipts and turn them in at any BBT event. During the Awards Ceremony, these receipts will be drawn for prizes. Anglers must be present to win. Each region will have it's own receipt bucket to draw from. Once a receipt is drawn, it is returned back into the bucket for the next event.

At the Tournament of Champions all regions receipts collected throughout the season will be placed together for final prize drawings, which includes the trip to the Amazon Jungle Peacock Bass Fishing Adventure. You do not have to be present to win this trip however for all other prizes you must be present.

Guidelines:

Receipts must include tackle store name

Your name and phone number must be written on back of each receipt

You may enter as many receipts throughout the season once you are a member.

Duplicate receipts will not be accepted

Tournament Fishing

It's about money and egos, but most of all it has to be fun. Getting to know your fellow anglers while learning new techniques and catching bass is what is it all about. Without fun, it's WORK!

Going back to the way it was when i fished tournaments.
